

Crazy People Instructions-

Recall **2 Cor 5:13** If we are out of our mind, it is for the sake of God;

As you have agreed to donate 18 dollars, and find 4 others who will donate, and find four others, you must remember these things.

People like you and are friends with you because of who you are. If you are passionate about something, they will be passionate about it because you are. It doesn't matter the cause. It doesn't matter the cost. They will do it because they love you.

You must realize that this is only for big dreamers. This is not for the faint of heart. If you're in this, you're in all the way. If we don't see this to the end, **it will not work. At all. We must go to the 8th and final level.**

You cannot choose or ask people **who do not have the tenacity, and follow through to make this happen.** It has to be people who **'get it done'**. Trustworthy people whom you know, that you can count on to stand by their word. The people who agree to this are passionate people, who like to see great things happen, who want to part of something completely out of the ordinary.

The people you ask will be generous people who are able to and like to convince others. They are generous convincing people who have influence.

1. Sit for a moment and pray before finding your four people
2. Find them and tell them the vision-**with passion.** 18 dollars, 88,000 people, 7 days, 1.5 million dollars **God gets the glory.** Keep it simple, but impactful. Tell them how great you think it is, and they will also!
3. **Get them on board immediately with the vision-** if they don't agree to give, and convince 4 others to give and recruit four others, **they are not one of your four people.** You cannot choose wishy-washy 'maybes'. These are people that say "Yes God as my witness, I will find four people" Not, "Let me think about it for a week" (this is a crucial step- finding four people to give is not hard. Finding four people to give and recruit is the hard part)
4. Say to them- Go to www.faithandvictory.com/build.html and donate right now. Are you doing it right now? Not tomorrow. Today.
5. **What ever 'level' you were contacted at, you must increase them to the next level** i.e. if the person who contacted you was level 3, you are level 4, the person you will ask is level 5 and so on- **it STOPS AT LEVEL 8.** **Those of you who are level 7 must ensure that you tell the 4 people that you find, that all they have to do is give the 18 dollars.** If it goes past 8, we will exceed the 1.5m, and we do not want to do that. We don't want more than we need. Level 7 is the most crucial level. They must not drop the ball.
6. **This task of finding, recruiting, and donating must be done each level each day.** We are building on momentum here- Sunday Level one complete, Tuesday Level Two Complete, Wed level Four Complete etc. Sunday November 8th will be the day of victory. It will change the course of history forever. People far and wide will be talking about this day and wondering how we were able to make it happen so fast.
7. **Lastly, make sure you donate-** www.faithandvictory.com/build.html. You're on facebook, join the group- **We Built a Church In 7 days.** It will be there. Only join after you have donated.
